

FAASafety Team--FAAST presents:

**RETURNING to the LEFT SEAT after Taking Some Time Off!**

Learning the Safest and Least Expensive way  
**YOU CAN REFRESH** your PILOT'S STRIPES is  
the FOCUS of tonight's presentation.

We'll attack the issues and You will have the  
opportunity to be the WINNER! This, because  
we'll start from the top, explore the guidelines,  
provide you a chart for success, and arm you with  
the tools necessary to achieve your goals.

Follow these steps, and you'll be, "cleared for  
takeoff" sooner than you might otherwise think.
